

## District Site-Based Decision Making Committee Meeting

April 16, 2015

# MINUTES

### 1. Bad Weather Make-Up Dates

- **Friday, April 3**
- **Monday, May 18**

*The dates above are our scheduled Bad Weather dates for this school year. We will be working on these dates to make up for the days we missed earlier this year. We are looking at possibly changing the Good Friday Bad Weather date on the 2015-2016 calendar.*

### 2. Budgets

*Everyone is busy working on local, state, and federal budgets for the next school year. Local and state budgets are due for submission to Jeff Bright's office by May 11, 2015.*

### 3. Safety

*All campuses should be practicing their safety drills and keeping an eye out on the weather alerts.*

### 4. Community Involvement

- **More Options For After School Care Which Is Cost Effective**

*Some of the members present at today's meeting said that there is a need in the community for more options of cost effective after school care.*

### 5. EDGAR (Education Department General Administrative Regulations) – Uniform Guidance

*New regulations from the USDE require districts to compile new Policies and Procedures manuals for everything we do.*

### 6. CNA (Comprehensive Needs Assessment)

*The CNA was divided up in sections between 7 groups of District Site- Based Committee members for review, changes, and or additions. An abundance of data is disaggregated, including student scores, to write the CNA.*

### 7. DIP (District Improvement Plan)

*Becky Trojczak will work on the DIP and may change the June 4 meeting to a date late in May for review before submitting to the School Board.*

### 8. Next Meeting – Thursday, June 4, 2015 at 12:00 p.m.

*This date may change – we will let you know as soon as possible.*
