

**CERTIFICATION FOR SERIOUS INJURY OR ILLNESS OF COVERED SERVICEMEMBER  
FOR MILITARY FAMILY LEAVE (FAMILY AND MEDICAL LEAVE ACT)**

Form WH-385  
San Angelo ISD Revised January 2010

**Notice to the EMPLOYER**

**INSTRUCTIONS to the EMPLOYER:** The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA leave due to a serious injury or illness of a covered servicemember to submit a certification providing sufficient facts to support the request for leave. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 C.F.R. § 825.310. Employers must generally maintain records and documents relating to medical certifications, re-certifications, or medical histories of employees or employees' family members, created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. § 1630.14(c)(1), if the Americans with Disabilities Act applies.

**Section I: Completion by EMPLOYEE and/or COVERED SERVICEMEMBER for whom Employee is Requesting Leave**

**INSTRUCTIONS to the EMPLOYEE or COVERED SERVICEMEMBER:** Complete Section I before having Section II completed. The FMLA permits an employer to require that an employee submit a timely, complete and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a covered servicemember. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave 29 U.S.C. § 2613, 2612(c)(3). Failure to do so may result in a denial of an employee's FMLA request 29 C.F.R. § 825.310(f). The employer must give an employee at least 15 calendar days to return this form to the employer.

**Section II: Completion by a US DEPARTMENT OF DEFENSE HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either: (1) a United States Department of Veterans Affairs ("VA") health care provider; (2) a DOD TRICARE network authorized private health care provider; or (3) a DOD non-network TRICARE authorized private health care provider**

**INSTRUCTIONS to the HEALTH CARE PROVIDER:** The employee listed on Page 2 has requested leave under the FMLA to care for a family member who is a member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A complete and sufficient certification to support a request for FMLA due to a covered servicemember's serious injury or illness includes written documentation confirming that the covered servicemember's injury or illness was incurred in the line of duty on active duty and that the covered servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the employee is seeking leave.
