This form will be used by San Angelo Independent School District to identify vendors for bids. It is important that we know what products and/or services you provide in order to get you in the correct bid category. Vendors may be used for verbal quotes as well as regular bids. Completing this form DOES NOT qualify you as a vendor. To complete the form, save it to your computer. After you have completed the form, please e-mail to Richard.rigdon@saisd.org or fax to Purchasing Department at 325-947-3837.
