

## NON-INSTRUCTIONAL STAFF PROFESSIONAL DEVELOPMENT CREDITS

**\* Central Office Administrative Staff, Diagnosticians, Nurses, Speech & Language Pathologists, Psychologists (LSSP), Clerical and Paraprofessional Staff, Child Nutrition Staff, Custodial Staff, Data Services Staff, Grounds Staff, Maintenance Staff, Technology Staff, Transportation Staff \***

Professional development credit encompasses a commitment to continued professional growth and learning which supports student success. The type of professional development and credits outlined below are the District's minimum requirements. Employees shall participate in professional development annually as directed by the principal.

Credits	Professional Development Type
5	<b>Job Related</b> – Credit is earned by attending job related training including but not limited to campus based training, webinars, technology trainings, workshops, conferences, and online training.
1	<b>Compliance</b> – Credit is earned by completing the Required Compliance eCourse in eduphoria and includes: <ul style="list-style-type: none"> <li>• Bloodborne Pathogens</li> <li>• Child Abuse Awareness &amp; Prevention</li> <li>• Digital Citizenship</li> <li>• Financial Ethics &amp; Proper Use of District Resources</li> <li>• Freedom from Discrimination, Harassment &amp; Retaliation</li> </ul>

**NOTE: It is the sole responsibility of employees to track and maintain their own professional development (PD) records.**

***In-District PD* is recorded in Eduphoria:Workshop by the course instructor.**

***Out of District PD* must be entered by the attendee and approved by the supervisor/principal.**
