

Teaching for Learning

August 15, 2018

1:00-4:00 pm

Framework - Curriculum Roll Out

Each area in the Phase II writing process will receive professional learning around the Teaching for Learning curriculum design process, templates, and strategies. Content facilitators and curriculum writers will lead in examining new and revised curriculum documents. Teachers will have planning time using the new documents with the goal of planning for the 1st 9-week grading period.

ELEMENTARY Teachers bring laptop, best lesson and stations to share electronically, materials to use in planning, & attend:
